PROFESSIONAL EXPERIENCE:

Design & Brand Strategy Associate | Clozure, Inc. | DEC 2025 – Present

- **End-to-end design system:** Built scalable UI components, typography, color systems, and brand guidelines used across product, web, and marketing.
- **Website design & development:** Designed UX architecture, responsive layouts, component libraries, and implemented backend updates to improve performance and content management.
- **Website copywriting:** Authored landing pages, product messaging, brand narrative, and long-form content aligned with SEO and conversion goals.
- **Video production:** Produced and edited assets for Wefunder, Instagram, TikTok, and investor campaigns; optimized for platform-specific engagement.
- **Brand & marketing collateral:** Designed print ads, pitch decks, and branded materials for fundraising, partnerships, and marketing initiatives.
- **SEO strategy:** Wrote metadata, optimized site structure, improved keyword targeting, and implemented technical SEO updates to increase organic visibility.
- **Multi-channel marketing:** Executed content calendars, campaign rollouts, and analytics reporting across web, email, and social.
- **Social media management:** Created content, scheduled posts, tracked performance, and developed audience growth strategies.

- **Competitive research:** Analyzed AI, industry trends, and partner ecosystems to inform content strategy and customer acquisition.
- **Content development:** Created brand-aligned content for web, email, social, and in-app messaging; ensured consistency in voice and visual identity.
- **Campaign execution:** Supported app launch, events, partnerships, and community activations; managed scheduling and performance tracking.
- **Marketing analytics:** Prepared dashboards, tracked KPIs (engagement, conversion, campaign performance), and contributed to A/B testing.
- **PR & partnerships:** Drafted pitch materials, organized press mentions, and contributed to thought-leadership assets.
- **Brand positioning:** Contributed to messaging frameworks, competitive differentiation, and go-to-market strategy.
